Just Another Growth Opportunity

God, thank you for this day and the realization that life, my life, is a continuous flow of opportunities to grow, develop, mature, learn, and experience those things that God deems necessary for my evolution. So my "suifing up & showing up" for life each day is really about my moment-by-moment acceptance of all of this. God has a plan for me, and the "growth opportunities" that show up on my trail are cleverly designed to help me carry out that plan.

Just for today, and every day, my job is to lean into these opportunities with courage, acceptance, trust, and faith that God always knows what he is doing. This disposition is necessary for me to be able to experience the peace and serenity that I desire along the way. God, just for today and just for this moment, help me to make peace with this truth and to chill out about all that happens, because it's just another growth opportunity.

Step 7:
 Humbly asked
 Him to remove
 our
 shortcomings.

“When I take the Seventh Step, I pray that whatever interferes with my Higher Power’s will for me may be removed. I don’t have to have all the answers. I need only be willing.”
 –*Courage To Change*
 p. 249

Concept 7:
 The Trustees
 have legal
 rights while the
 rights of the
 Conference
 are Traditional.

“Concept 7 notes that relationships often have legal and financial responsibilities as well as other aspects. It is especially easy to understand when applied to the relationships within a family. While everyone in the family is equally important, it is the parents or adult guardians who sign contracts and pay the bills. They are legally accountable for actions of the family as a whole.” –*Discovering Choices*, p. 264

Tradition 7: Every group ought to be fully self-supporting, declining outside contributions.

Short and sweet, we are reminded to be supportive. This tradition is about independence and self-care. It helps us form guidelines for boundaries and helps us clarify our motives. It asks the members of our group to contribute to the whole. If we are dependent on others, we compromise our primary spiritual progress.

Questions to contemplate this month:

- 1) *Can I work on supporting my own happiness?*
- 2) *Can I care for others without overriding my own needs?*
- 3) *Can I practice loving detachment and love myself at the same time?*

In the spirit of the 6th tradition: Page 92 of the Al-Anon Service Manual gives "permission" to announce the upcoming Alcoholics Anonymous Convention. In the spirit of cooperation, Al-Anon announces these events provided they have Al-Anon participation.

The 62nd Florida State AA Convention with Al-Anon and Alateen participation will be held in the Fort Lauderdale Marriott Harbor Beach Resort & Spa on August 15-19, 2018.

The full schedule of AA, Al-Anon and Alateen programming is available online at <https://floridastateconvention.com/>

Volunteers are needed to cover shifts at the Al-Anon Literature table during the Convention. If anyone is interested in helping out, contact Elaine F. at elainefaust@gmail.com to sign up for a time slot.

The Marriott Harbor Beach is sold out, but there are 2 nearby hotels (within walking distance from the Marriott) with availability. More info available on the website.

Two offsite parking garages (\$5/day) will shuttle convention attendees back and forth to the Marriott daily from 7 AM – 12 AM.
